

Construction Site Rules for Children

So everyone can build safely and have fun!

- **Wear your helmet!** – No helmet, no building.

- **Wear sturdy shoes!**
– No running – safety comes first.

- **Work as a team!** – Building together is better.
Look out for one another – do not throw or kick objects.

- **Do not lift large items onto the roof**
Only roof tiles may be taken onto the roof.

Everything that belongs on the construction site stays there.

Everything outside the construction site stays outside. The children's construction site is not a place for tables, chairs, or picnic blankets.

Take good care of tools and materials.

- **Rubbish does not belong on the construction site.** – Please put all waste in the bin.

Use at your own risk.
